Nineteen twenty five.

Postmaster, Los Angeles,
City.

Dear Sir:

I inclose complaint from The Sather Gate Book Shop, at Berkeley, Cal, that they have not received copy of my "Spanish Songs of Old California" mailed to them December 16th, and duly checked out from this office.

Will you kindly see if this missing piece of mail can be located. Five weeks ought to be long enough for it to get through from here to Berkeley.

Very Respectfully Yours,
